Pacific Northwest Canned Pears							
Code	Product	Size	Point Value		Total Cases		Points Earned
	Canned Diced Pears in Light Syrup or Juice		15	x		=	
	Canned Pear Halves in Light Syrup or Juice		25	x		=	
	Canned Sliced Pears in Light Syrup or Juice		15	x		=	
How to Order Pacific Northwest Canned Pears: 1. Specify Pacific Northwest Canned Bartlett Pears. Most distributor brands qualify for Cool School Café points. 2. Name the preferred pack style (e.g., diced, sliced or halves), pack size and packing medium (e.g., juice or light syrup). 3. If necessary, check the drained weight with your supplier. Drained weights may vary slightly among processors. 4. Designate the case quantity.  Imported canned pears or commodity products do not qualify for Cool School Café points.			<b>Subtotal</b>

## Frequently Asked Questions

### **When can I begin accumulating 2011-12 Cool School Points?**

You accumulate Cool School points every time you purchase qualifying products from participating manufacturers between July 1, 2011 and June 30, 2012. Verification of those purchases must be postmarked by July 13, 2012.

### **What should I send to verify purchases?**

The simplest and most efficient way is to request a velocity/activity report from your distributor(s). **This report should list a summary of your qualifying product purchases for the time period that you specify (i.e. August 1 through December 31, 2011).** Submit a copy of the 2011-12 Cool School Points Summary Sheets to your distributor(s) so they are aware of qualifying products. We also accept copies of individual distributor invoices.

### **What if the manufacturers' product code numbers on the Cool School materials do not match the code numbers on the distributor reports or invoices?**

Sometimes a distributor will assign a product code number that is different from the manufacturer's code. If there is any question, ask your distributor for verification.

### **When should I send purchase verification?**

Please submit verification as often as possible during the school year to help us maintain your Cool School point account balance. We strongly suggest submitting verification quarterly to keep your account current. All points should be redeemed within 1 year of deposit.

### **How can I find out more about member manufacturer qualifying products?**

If you would like additional information on any products or would like a salesperson to follow up, visit our website at [www.CoolSchoolCafe.com](http://www.CoolSchoolCafe.com) to complete and submit the Manufacturer Information Request Form.

### **How and when may I purchase Cool School Cafe merchandise?**

You may purchase merchandise from our online catalog at [www.CoolSchoolCafe.com](http://www.CoolSchoolCafe.com) at any time throughout the year using your Cool School points, cash, or a combination of both.

### **How do I know how many points I have accumulated?**

Visit the website at [www.coolschoolcafe.com](http://www.coolschoolcafe.com), call (800) 468-3287 or email [Support@CoolSchoolCafe.com](mailto:Support@CoolSchoolCafe.com) to check your balance.

### **What is the process for submitting a Cool School Café deposit and placing a Cool School Cafe order?**

1. **Review** your case quantities to verify accuracy.
2. **Complete** Cool School Checklist, Point Deposit Summary Form and Point Detail Worksheets.
3. **Highlight** all qualifying manufacturer products on distributor activity reports or invoices.
4. **Mail** Cool School Checklist, Point Deposit Summary Form and Point Detail Worksheets along with purchase history to: **Cool School Cafe, PO Box 535. Becker, MN 55308.**
5. **To place an order**, go to [www.CoolSchoolCafe.com](http://www.CoolSchoolCafe.com) and log in using your security credentials.
