## Frequently Asked Questions

[www.CoolSchoolCafe.com](http://www.CoolSchoolCafe.com)

Support@CoolSchoolCafe.com

(800) 468-3287

### When can I begin accumulating 2009-10 Cool School Points?

You accumulate Cool School points every time you purchase qualifying products from participating manufacturers between July 1, 2009 and June 30, 2010. Verification of those purchases must be postmarked by July 10, 2010.

### What should I send to verify purchases?

The simplest and most efficient way is to request a velocity/activity report from your distributor(s). **This report should list a summary of your qualifying product purchases for the time period that you specify (i.e. August 1 through Dec. 31, 2008).** Submit a copy of the 2009-10 Cool School Points Summary Sheets to your distributor(s) so they are aware of qualifying products. We will also accept copies of individual distributor invoices.

### When should I send purchase verification?

Please submit verification as often as possible during the school year to help us maintain your Cool School point account balance. We strongly suggest submitting verification quarterly to keep your account current. All points should be redeemed within 1 year of deposit.

### How can I find out more about member manufacturer qualifying products?

If you would like additional information on any products or would like a salesperson to follow up, visit our website at [www.coolschoolcafe.com](http://www.coolschoolcafe.com) and complete and submit the Manufacturer Information Request.

### How and when may I purchase Cool School Cafe merchandise?

You may purchase merchandise from our online catalog at [www.CoolSchoolCafe.com](http://www.CoolSchoolCafe.com) at any time throughout the year using your Cool School points, cash, or a combination of both.

### How do I know how many points I have accumulated?

Visit the website at [www.coolschoolcafe.com](http://www.coolschoolcafe.com) or call (800) 468-3287 to check your balance.

### What is the process for mailing Cool School Points Summary Sheets and placing a Cool School Cafe order?

1. **Review** your case quantities to verify accuracy.
2. **Complete** Cool School Points Summary Sheets.
3. **Highlight** all qualifying manufacturer products on distributor activity reports or invoices.
4. **Mail** Cool School Points Summary Sheets to: **Cool School Cafe, 12925 Prosperity Ave., Becker, MN 55308.**
5. **To place an order**, go to [www.CoolSchoolCafe.com](http://www.CoolSchoolCafe.com).

### What if the manufacturers' product code numbers in the catalog do not match the code numbers on the distributor reports or invoices?

Sometimes a distributor will assign a product code number that is different from the manufacturer's code. If there is any question, ask your distributor for verification.

### What is Cool U Cafe®?

Cool U Cafe® features information on the latest, nutritionally enhanced food products specifically designed for school meal programs and provides a platform to encourage students to make healthy food, activity and lifestyle choices. Learn more at [www.coolucafe.com](http://www.coolucafe.com).

### What is Cool U Day®?

Cool U Day® is 24 hours of wellness for students to "Be Your Own Cool®", **promoting Improved Nutrition + Increased Activity = Better Performance.** The goal of the entire day is to serve nutritionally enhanced products on the school menus and involve students in enjoyable activities to encourage healthy lifestyles. The CSC online catalog offers premiums to promote Cool U Day. Learn more at [www.CooluCafe.com](http://www.CooluCafe.com).
