Point your program in a new direction with your Cool School Points

— Serving & Dining Room Makeovers —

Even small changes can transform the dining experience and drive participation. We take your vision from concept to installation. *Check out our website to see the latest transformations.*

— Fresh Eyes Reviews —

Take your program from good to great and from great to amazing! Our customizable program identifies your strengths and opportunities. We build recommendations based on your unique set of assets and challenges.

— Procurement Strategies —

Streamline purchasing, reduce time on task and save money! We know tricks of the trade from our experience managing cooperative purchasing groups around the country.

— Menu Makeovers —

Menu fatigue getting you and your students down? We can help you make your menu exciting, and help you increase ADP. Our experts know what trends are hitting the mark!

— USDA-Certified Software Support —

Spending too much time on nutrient analysis and production records? Our in-house dietitians set up and keep things running so you can concentrate on the other 1,000 things on your plate!
